RESTORING LUXURY

We are a family owned and operated business specializing in the restoration of fine leather furniture and leather fixtures saving our clients the cost and inconvenience of replacement.

We also develop and produce leather care products such as cleaners, conditioners, oils, waxes and custom color touch up kits.

Our craftsmen provide more than 35 years of experience. Their incredible eye for detail and an unrelenting dedication to perfection has been recognized nationally and internationally.

Our portfolio includes a wide spectrum of hospitality industries ranging from cruise lines, yachts, hotels, spas, restaurants as well as a close cooperation with interior designers.

We restore removable and built-in leather furniture and fixtures as:

- Table tops
- Handrails
- Columns
- Walls
- Panels
- Bar fronts
- Headboards

We supply :

- Core replacements
- Leather hides
- Leather maintenance products

Restoration of an antique leather wall tapestry at Deutsches Museum in Munich, Germany by our master craftsman John Andersen.
